Could you use some help providing food for your kids on the weekends?

Weekend Food for Kids works with schools in Queen Anne and Magnolia to provide extra food for students on weekends when free and reduced price school meals are not available.

In partnership with **Queen Anne Helpline**, **Ballard Food Bank**, and **Queen Anne Presbyterian Church** participating students receive pre-packed bags of nonperishable food items containing the equivalent of seven meals and snacks; fresh fruit is included. Perishable items (yogurt, string cheese, hummus) are also available. The bags are delivered to school for students to take home over the weekend.

Participation in the program is completely confidential and free- and open to all!

To sign up, please return the form below to Ms. Skoog, school counselor (mailbox in main office). Once your child starts the program, he/she will receive a bag each week during the school year or until you no longer wish to participate. If you have any questions, please contact Ms. Skoog at 252-2521 or jcskoog@seattleschools.org.

For more information about the program, call the Queen Anne Helpline at 206-282-1540.
